Feburary Sew Fun

We might be right in the middle of winter, but you can help to banish those winter blues with this Glorious Spring wall hanging that highlights the delights of Spring. Just imagine, gentle breezes, the warmth of the sun on our face and bunnies frolicking in the garden and stitch out a beautiful wall hanging to get ready for Spring that’s sure to come.

Half Rectangle Triangles of grunge fabric create beautiful play of colors in the diamond shapes of the Harlequin quilt. The diamonds trail off into transparency towards the edges with fainter grey colors of fabric. A layer cake is perfect for the majority of the half rectangle triangles. Solid colors of yardage fabric compete the picture.

Glorious Spring Wall Hanging

March Sew Fun

The Big Book of Lap Quilts from the Patchwork Place features 51 quilt patterns. These quilts vary in technique and style from appliqué, classic patterns, traditional, modern, and a few holiday quilts. You can use your scraps, precuts, or yardage. There are bound to be at least a couple of quilts you will love.

Kathy’s Expandable Carry-All by The Creative Thimble is a great bag. The pattern comes in two sizes, features two outside pockets, three inside pockets, a zipper closure on top, and it expands by unzipping the middle section! Perfect for a long trip or all day shopping excursion.

You helped us feed 1457 Families this Christmas!

Happy New Year! Every year, for the past four years, you’ve blown us away with your willingness to help us in teaming up with the Denver Rescue Mission and the Colorado Springs Rescue Mission volunteers to feed families during Christmas holiday season. This year your purchases really made a difference! Thank you!!

Here’s the numbers:
- Colorado Springs: 379 families (1516 individuals)
- Littleton: 373 families (1492 individuals)
- Aurora: 356 families (1424 individuals)
- Arvada: 349 families (1396 individuals)

For a total of 1457 families (5828 individuals)

Amounts: Denver, $8624; Colorado Springs, $3032. A grand total of $11,656 donated!

New products at RMSV!

**New Quilters Select 60mm Rotary Cutter**
- The Select Rotary Cutter’s innovative ambidextrous design ensures precise cutting from the left or right side. The unique and easy magnetic blade replacement system means you’ll never drop a blade again!
- *Available in February, pre-orders accepted.

**New Quilters Select Cutting Mats**
- These multilayer mats are usable on both sides, with function and versatility in mind. The one-inch lines with two sets of corresponding numbers that are placed around the perimeter of the mat can be read left to right AND right to left - this means never losing your place or having to count backwards!

**New Quilters Select Long-arm Ruler**
- This ruler has a non-slip coating that makes it a must-have for long-arm quilters, bringing a new level of precision to machine quilting! Never again will you have to worry about your rulers slipping as you guide your quilt and ruler through your machine. The new finger grip holds enhance your ease of placement and movement.

You can now buy fabric by the 1/4 yard at our Aurora location!

We are so excited that we’ll be selling high-end fabric at our Aurora store starting very soon. Some of the high-end brands we will be carrying are Moda, Hoffman and several others.

At this time, this fabric will only be available at our Aurora location. (Pre-cuts available at all our stores.)

Roll Out The Riccar Red Carpet

Excerpt from Cathy Elsaesser’s Blog

In the market for a new vacuum? If so, be sure to check out the Riccar line of vacuums. Not only do you get a great vacuum, but, if you buy a Riccar premium upright vacuum, we’ll roll out the Riccar Red Carpet for you! It’s like a preventive health checkup for your vacuum.

For qualifying Riccar vacuums, the Riccar Red Carpet treatment provides free tune ups for the vacuum during specific time intervals. These regular tune ups help keep your vacuum running at peak performance. So, if you’ve already purchased a Riccar vacuum or are thinking about it, check to see if there is a Red Carpet Service Plan sticker on the back, side or in the dust compartment of the machine. If so, your vacuum qualifies for the plan.

Free Tune Up Schedule After Purchase
The Riccar Red Carpet Service Plan offers three free tune-ups to R40P customers: the first 11-13 months after purchase, the second 35-37 months after purchase and the final tune-up 59-61 months after purchase.

R30 customers may receive tune-ups the first 23-25 months after purchase and the second 47-49 months after purchase.

For R25, R20, R10 and Vibrance models that qualify, the plan offers free tune ups the first 11-13 months after purchase and the second 35-37 months after purchase.

Tune Up
During your Riccar Red Carpet Plan visit, we replace the bag and filter in your machine and give it a full tune up and cleaning. During the tune up, if applicable to your model, we inspect:

- Belt
- Agitator brush strips
- Hose
- Full bag indicator
- Brushroll jam indicator
- Floor selector switch (if applicable)
- Carpet height adjustment
- Headlights
- Suction and airflow

For these items, normal warranty procedures apply and will be replaced at no cost if any item is found to be defective. Charges may apply to replace items not covered by the warranty or for failures that result from abuse to the vacuum or commercial use.

Even with the Riccar Red Carpet Treatment for your qualifying Riccar vacuum, consider our Vacuum T.L.C. program. With this program you’ll get an additional complete service, one year supply of bags, and a lifetime discount of 25% off bags, belts, filters, accessories, service for that vacuum.

Regular vacuum maintenance can help prolong the life of your vacuum. Even the highest quality vacuums built to last for decades need regular maintenance. For more information about the Riccar Red Carpet Service Plan and our T.L.C. program, give us a call at any of our locations.

Employee of the Month
Malory Pomranka

I started sewing when my mom taught me to sew for my American Girl Doll in the third grade. Basic skills progressed to sewing my prom dresses, then quilting, machine embroidery, bags, home decor, and now sewing clothes and projects for my family. Being a Sew Fun educator was one of the best jobs I’ve ever had, and I was happy to be able to stick with the program as my family expanded by becoming the Sew Fun manager. I feel lucky to work for a company with such great customers and staff where I get to find the best tools for the different kinds of sewing I enjoy. Pfaff really can’t be beat when it comes to sewing quilts and woven fabrics: the dual feed is phenomenal. Brother embroidery machines are so smooth and intuitive it makes embroidery fun and effortless. I also could not live without my serger when it comes to sewing knits into garments. While I love my machines, my absolute favorite tool in the sewing room is my iron. The new Oliso mini iron was a must-have when I discovered it at Quilt Market. I hope you love it as much as I do!

Since it’s Malory’s favorite, get the Oliso mini iron for 20% OFF*
